

Curriculum

St. Peter's Preschool will follow a curriculum designed to promote both social and emotional growth focusing on developing a positive self-esteem for each child. To meet these goals children will be exposed to various academic readiness activities through active discovery and guided learning. Activities, stories, songs, and projects will be centered around weekly themes. Field trips, visitors, dress up days and special snacks will also be planned to support the curriculum. Development of social skills will be accomplished during daily circle and free play experiences.

Spiritual growth will be nurtured through Bible stories, songs, and Christian character lessons. The children will be part of a Kindness Curriculum that will expose them to community service projects on a monthly basis. Projects will relate to a book read to the class.

Preschool Staff

Each class will be taught by a state certified teacher with the help of an aide. To view specific teacher qualifications, please visit the preschool website for a resume.

Parent Involvement

Parents are welcome to volunteer in the classroom by signing up on the monthly calendar by the teachers door once a classroom is ready for parent volunteers, usually after October. Weekly teacher newsletters and monthly school newsletters will be emailed to all families. The teacher newsletters will inform you of what is being taught in the classroom. The school calendars will keep you up to date with the events of the preschool. All information is posted at www.stpeters-preschool.com
