

Miss Brandi's "Under the Sea" Scoop!

January 27 - 30

COMING UP!

A measurement "show and tell" activity will be coming home on Monday. We will share these during class on Wednesday so please return as soon as possible. Thank you!

The Week Ahead...

Monday: We will kick-off our week studying the number 11 and the concepts over/under & above/below. We will also review the letter B along with our new concepts by going on a Bear Hunt! During center time we will rainbow write our new number, craft Valentine hearts and make a boat/submarine project to illustrate the idea of above/below. Our winter story today will be The Hat by J. Brett.

Tuesday: Letter Dd will be introduced today. We will practice letter formation and sounds. Our story will be Detective Dog and the Disappearing Doughnuts by V. Garfield. We will have lots of fun with our new letter by making ducks, dogs and using mini dog bones to form the letter Dd.

Wednesday: Today we will study measurement. We will discuss the differences between short/long, light/heavy & more/less. We will create a measurement book, use scales to determine what weighs more, and illustrate our new concepts using a variety of materials. Today I also plan to read Personal Space Invader by H. Spader to help remind our friends that everyone needs their space. 😊

Thursday: It's Ground Hog Day today! We will talk about ground hogs, seasons and make predictions together as a class. We will read Ground Hog Day by G. Gibbons and read our Let's Find Out magazine focused on today's topic. Activity time will include making our own ground hog shadow projects and working on our February bulletin board too!

New Prayer: We've started a new prayer at snack time 😊

Thank you for the world so sweet,
Thank you for the food we eat,
Thank you for the birds that sing,
Thank you God for everything, Amen.

Sight Words: The children are very excited about our sight words! Last week we reviewed our first 3 words and this week we will add 4 more!

No, Go, So

Me, Be, We, See
