- Storytime: Children will listen to the story, "God Gave Us You" by Bergren
- Sensory Table will be filled with Valentine Water this week.
- Patterning Activity: Children will continue to work on making ABC patterns.

Jesus Taught Us about Love

(Matthew 5:43-48)

One day Jesus was teaching a big crowd of people. They were sitting on a hillside in the outdoors. In the crowd were big people, little people, everyone who wanted to hear Jesus tell about God and His love. That day long ago, Jesus told the people how God wanted them to live. And the things Jesus taught that day is for us today, too. He wants us to do the same things and live the same way. Jesus said that God wants us to love everyone. He said that when we are kind and helpful to others, we are showing God's love. He wants us to remember that loving everyone means something special. It means we are to love all people, not just people who love us back. We should try to be kind, even when someone is not kind to us. Being kind to someone, shows them God's love. Jesus loves us, so we can love each other.
