

Mrs. B's Newsletter

February 12, 2018

MONDAY

Today we will be learning about letter Vv— we will be making a Vv book; vase of vio-
lets and designing a vest. We will graph our favorite vegetable. Our stories are “Vera Viper’s Valentine” Maxwell Higgins and “Who Will Be My Valentine This Year?” Jerry Pallotta. Today we will start sharing our Valentine posters. We will be doing a few each day! Our sight word is IS.

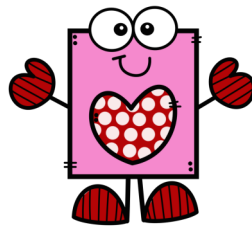

TUESDAY

Today we will talk about Valentine’s Day and ways we show others we love them. We will read “Celebrating Valentine’s Day” Kimberly Roark and “Valentine’s Are for Saying I Love You” Margaret Sutherland. We will make a name caterpillar with hearts, ladybug love hat; and graph some candy hearts. Our story for the day is “Clifford’s Valentine’s” Norman Bridwell. Our sight word is IT.

Wednesday

Today we will celebrate Valentine’s Day! Before the party begins, we will read “There Was An Old Lady Who Swallowed a Rose” Lucille Colandro and pass out our valentine’s!

We have 20 children in our class. Please do not label them with individual classmates names, it takes too long to pass them out that way!!

This week we will start ‘testing’ the children on their phone numbers. Each day we will give them the opportunity to recite their phone number. If they do it correctly (with area code), they will earn a sticker. After earning three stickers, the child earns a certificate and prize!

Thursday

Today we will learn about Abraham Lincoln. First we will talk about what a president is and what they do. Then we will hear about Abraham Lincoln. We will read “Abraham Lincoln” Caroline Gilpin. At centers we will make a Lincoln, toss and count pennies, measure with a penny stick and make a log cabin. Our story for the day is “Abe Lincoln’s Hat” Martha Brenner. Our sight word is IN.
