- ◆ Make an elephant, egg, hole punch Ee's; and find pictures that start with E
- ◆ Graph our eye color

### Tuesday: One 1 & Circle

- ◆ Story: "How To Make a Friend" R. Williams
- ◆ We will find 1's and sort ovals and circles.
- ◆ Create Circle Pal, trace circles, write 1's and draw something in our Enormous Egg.

### Wednesday: Nursery Rhyme 1, 2, 3, 4, 5 Once I Caught

- ◆ Stories: "Swimmy" L. Lionni
- ◆ Question of the Day: Have you caught a fish?
- ◆ We will act out the NR, list the things a fisherman needs, easel paint a fish, count fish, and draw what we could catch.

### Thursday: Bible Story Jesus Loves the Children

- ◆ Stories: "Jesus is Our Special Friend" M. Perry; "Jesus Loves the Little Children" J. Trasler
- ◆ Song: I Am Special & Jesus is My Friend Today
- ◆ Watercolor Jesus picture; draw why we are special, and dot art our name.

We continued talking about green and red choices. The children are doing a great job getting along with new friends. We will give some more examples at circle time. I promise to 'flood' them with bananas this week! This is a great class and I just forget to hand out the bananas!! The children also did wonderful with our four centers including some painting and cutting!

Last week we brought in the camping center! We have it for a few weeks and then will rotate to a new center. The children enjoyed fishing and making smores! This week we will open the water table with water to play with! We will also have out our magnet board with various stem building materials. The children can make a path for balls to go through on the magnet board.
