

# Mrs. K's Classroom News

The Week of April 16-19

Email: [mrsk@stpeters-preschool.com](mailto:mrsk@stpeters-preschool.com)

Sight words: as, at, as, am

## Monday

Today we will review letters by playing an ABC matching game. We will then introduce letter U. We will make an umbrella, a unicorn, sort letters, and practice writing U. Our story today is "Umma Ungka's Unusual Umbrella" by Barbara deRubertis.

## Tuesday

Today we will begin one of our favorite units on the Ocean. Each day we will learn facts about several ocean animals and create an ocean poster with all our craft projects.

We will learn about seahorses, octopuses, and rays today. We will make each animal and work on patterning skills. We will read National Geographic Kids "First Big Book of the Ocean" by Catherine D. Hughes and "A House for Hermit Crab" by Eric Carle. We will graph our favorite ocean animal.

## Wednesday

We will learn about dolphins, hammerhead sharks, and the killer whale today. Story "Somewhere in the Ocean."

## Thursday

Today we will learn all about sea turtles, starfish and shells. We will make them all for our poster and complete an ABC ocean match. We will read "Save the Sea Turtles" by Alice Leonhardt and "Star of the Sea" by Gail Donovan.
