Review sight words: me, we, be, see

Monday

Today we will learn all about letter D. We will read "Dilly Dog's Dizzy Dancing" by Barbara deRubertis. The children will make a dog and a duck for their abc books, practice writing d's and sort alphabet stickers on dog paws. We will play our alligator snap game to review letters!

Tuesday

We will learn about number 11 today and the positional words above and under. We will review numbers 0-10 and focus on number 11. We will count, write and sort 11 today and make a number 11 craft project. The children will cut and paste objects above and under too. We will play an I Have Who Has number review game!

Wed/Thurs

Our focus will be on Dental Health. We will read "Hooray for Teeth" by Gina Shaw and "Sugarbug Doug" by Dr. Ben Magleby. We will discuss baby teeth vs. adult teeth and talk about how to take care of our teeth by brushing, flossing and eating healthy food. The children will count teeth, paint teeth, and make a food collage. We will also read "Going to the Dentist" by Anne Civardi.

Reminders

Our Valentine Party will be next Wednesday, February 14th. We have 20 children in our class. We continue to introduce and review sight words each week and play review games for numbers, letters and shapes.
