

Mrs. K's Classroom News

The Week of March 18-21

Email: mrsk@stpeters-preschool.com

Sight words: to, do, I, a

Monday

We will review letters today and introduce letter R. The children will make a rabbit, a rocket, and a robot, and will practice writing and identifying the letter R. Our story is "Rosie Raccoon's Rock and Roll Raft" by Barbara deRubertis.

Tuesday

We will begin our study of the Solar System today. We will start off by learning about astronauts and rockets. The children will make a rocket with paper and straws, tell us what they would do if they were astronauts and write space letters. We will read "Astronauts: Exploring Space" by Colleen Sexton.

Wednesday

Today we will learn about the sun and the moon. Our stories are "The Sun" by Chaya Glaser and "Our Moon" by J. Clark Sawyer. The children will paint a sun and a moon and use pattern blocks to make a rocket and stars.

Thursday

We will learn all about the planets in our solar system today. Our story is "Our Solar System" by Christian Lopez. The children will make a planet headband, put the planets in number order and make name rockets.

**Spring Break is next week!
Have a great break, we will see you back at school on April 1st!**
