November 28 - December 1

What's happening in The Two's Room

We had a great time celebrating Thanksgiving. The children loved having the parent helpers come into class. We played stuff the turkey, pin the tail on the turkey and made several cute crafts. The children enjoyed a yummy Thanksgiving snack mix too. The favorite of the mix was the candy corns.

We hope you enjoyed your little turkey surprise from the children. They enjoyed making them for you.

We will start this week with learning about the shape, square. The children will create their third page in their colors, shapes and numbers book Also, we will continue to keep working on our Christmas Program. Make sure you check your email for Christmas Program Songs to practice at home with your child.

Song of The Week: "Happy Birthday, Jesus"

Look over here, look over there,
There's good, good news for all to hear,
We jump around and celebrate.
A savior is born on Christmas Day.
Clap, Clap, Clap, Sing and shout,
Happy Birthday Jesus!

Birthdays! 🎉

Ethan Nov. 29

Jane, Nov. 30

Scarlett, Dec. 1

What were learning on Monday/Tuesday

Story: "Happy Birthday Jesus" by Michelle Adams

Project: "A gift for Jesus"

The children will create a square Christmas gift for Jesus. They will decorate the gift with glue, pom poms and glitter for our December Bulletin Board

Learning: The children will be given a variety of boxes. The children will decide which are squares and which are rectangles

What were learning on Wed/Thurs.

Story: "Mouse Shapes" by Ellen Stoll Walsh

Project: "Colors, Shapes and Numbers Book" The children will glue into their book three, red square presents

Learning: The children will take turns finding red items in the mystery box

Theme:
Squares
