## April

### SONG:

BUTTERFLY, BUTTERFLY  
Butterfly, butterfly, flutter around  
Butterfly, butterfly, touch the ground.  
Butterfly, butterfly, fly so free  
Butterfly, butterfly, land on me!  
Butterfly butterfly, reach the sky.  
Butterfly butterfly, say good-bye.

### PEEK AT THIS WEEK

This week we will be busy bees. We will talk about another sign of springtime butterflies and bees. The children will explore bugs, bugs, bugs and move like a butterfly. Bugs have names. The children will learn a few bug names and play match bug colors. If weather permitting, we will go outside on a bug hunt.

Also our kindness lesson will be introduced, "Ordinary Mary". We will paint little rocks to be bees and explore the number "5".

### NOTE:

A fun activity to do with your child as we learn about bugs. Kids are usually fascinated with bugs. Especially how bugs look and how they are made. Head outside and investigate by looking under rocks or in the grass and document what you see. You may like to take photos and help your child create a bug book.
