SONG:

I SAW A LITTLE BIRD

Once I saw a little bird
Come hop, hop, hop;
So I cried, "Little Bird,
Will you stop, stop, stop?"
And was going to the window
To say, "How do you do?"
But he shook his little tail,
And far way he flew.

PEEK AT THIS WEEK

This week we will focus on God's gift of birds. Children are fastinated by birds. God gave us beautiful bird colors. The children will learn that God takes care of the birds. God created every kind of bird that flies.

We will talk about bird body parts and how birds move, sound and what birds like to eat. The children will match birds to nest numbers and make a bird feeder.

NOTE:

Birds like to explore our backyards, and they're so fun to watch. When spring arrives, pack your binoculars and take a backyard bird walk with your child to see how many birds you can find or deserted bird's nest. Sit quietly to look and listen for birds. You also may like to take along a bird book from the library with a variety of photos to help you identify bird's names.
