MARCH

SONG I SEE GREEN

Tune: Frere Jacques

Green, Green, Green
Green, Green, Green
I See Green, I See Green
I See a Green Crayon
I See a Green Shamrock
I See Green, I See Green

LOOK WHAT WE'RE LEARNING

Soon we will see the beauty of spring begin. Our focus this week is "Spring-time" and exploring the color "GREEN". The children will listen to the story, "My Crayons Talk". It's a story about a little girl that wants her crayons to talk as she draws. Each page has a rhyme of what the crayon is doing. A wonderful book for color introduction.

Also the storybook, "I See Spring" will be introduced. The book explores flowers blooming, birds flying, fluttering butterflies and a rainbow sky. The children will learn God's rainbow colors as we use our little fingers to make a rainbow kite. We have lots of green activities planned. As a group we will gather together to glue green things to place on Suzy's balloon. We also will make green shamrocks and a paint a crayon shape green for your child's color book.

Monday/Tuesday March 11 & 12

NOTE

A few spring activities you and your child can do to learn a little more about what we can do in the spring-time. Take a nature walk, visit a farm and look for baby chicks. Donate winter clothes, try horseback riding, plant flowers or visit a new place and enjoy the sunshine.

Happy St. Patrick's Day!

PEEK AT LAST WEEK

Last week we learned the nursery rhyme, "Baa, Baa Black Sheep" and snipped grass for our sheep. The children had fun counting movements as we moved scarves to music. We also sorted black and white sheep to place inside the pen.

Our golden heart continues to shine. We spent time stamping candy bar covers to give to the people who help keep us safe in our community.
