SONG: I SEE GREEN

Tune: Frere Jacques

Green, Green, Green
Green, Green, Green
I See Green, I See Green
I See Green Frog
I See Green Shamrock
I See Green, I See Green

PEEK AT THIS WEEK

I See Green Everywhere! The beauty of spring begins. Our focus this week is "Springtime" and to explore the color "GREEN". We have lots of green activities planned this week. The children will learn God made green frogs, grass, trees and many plants like shamrocks that are green. We will paint a frog shape green along with searching for my silly little leprechaun that left green shamrocks in my classroom.

Easter arrives early this year, so we will begin making bunny bags, counting bunnies who like to zig-zag hop.

NOTE:

A few spring activities you and your child can do to learn a little more about what we can do in the springtime. Take a nature walk, visit a farm and look for baby chicks, try horseback riding, donate winter clothes, plant flowers, do a random act of kindness, pick up litter, visit a new place and enjoy the sunshine.
