## SONG

SPRING IS HERE  
Tune: Are You Sleeping?

Spring is here  
Spring is here  
Good-bye snow  
Grass grows

Birds and bees  
Bugs and leaves  
Spring is here  
Spring is here

## LOOK WHAT WE'RE LEARNING

Spring brings warmth and bugs! This week we focus on "God's Gift of Bugs" and the number "4". The children will listen to the story, "Bugs, Bugs, Bugs!" It's a cute storybook with vibrant colors that illustrates a variety of different kinds of bugs. The children will be introduced to bug names and colors.

Also "Lenny's Lost Spots" will be read. Lenny the ladybug can't understand what happened to his spots. He spends all day looking for them and discovers that there are other things that also have spots. The number four will be introduced as we stamp four spots on Lenny the ladybug and four buzzing bees in a beehive.

**Monday/Tuesday**  
**March 18 & 19**

STORY: "Bugs, Bugs, Bugs" by Bob Barner

PROJECT: "Bumble Bee" Finger-paint black stripes on a bee shape

LEARNING TIME: "Bug Match"

## PEEK AT LAST WEEK

Last week we learned about things we begin to see in the spring and the color "green" was introduced.

We made rainbow kites, green textured shamrocks, Leprechaun puppets and painted a crayon shape green. Suzy Zoo is holding all the balloon colors we introduced this year. Color books will be sent home once they are put together.
