SONG:

Old Mac Donald Had a Truck!

Old MacDonald had a farm E-I-E-I-O
And on that farm he had a ...
Truck with a dig, dig here and a scoop,
scoop there.

PEEK AT THIS WEEK!

This week another favorite theme will be introduced transportation. We love, "Things That Go." The children will learn there are many ways we can move from one place to another and there are different kinds of vehicles that help us everyday.

We will create a busy town to drive our vehicles in and out of the parking garage and take our trucks and cars through a car wash. This activity will help build those little finger muscles as well as color and number recognition.

STORY: "Old MacDonald Had a Truck" by Steve Goetz

PROJECT: "MacDonald's Truck" Use car wheels to paint dirt onto a truck shape and add wheels

LEARNING TIME: "Load Up" Children will be encouraged to look for their name printed on animal cards to place into MacDonald's truck

MOTOR: "Movement" Move and sound like different transportation vehicles car, bus, airplane, train and rocket

NOTE:

A few ideas to entertain your little ones at home. Tape a maze on your floor and add some numbers. Have your child drive and count their way through the maze.

You also may like to put together a train with your kitchen chairs and invite your child's stuffed animals to ride in the train cars.
