## February

### SONG

#### HEART SHAPE

I made a heart for you.  
I made a heart for you.  
The heart shape says "I Love You".  
I made a heart for you.

### LOOK WHAT WE'RE LEARNING

We begin the month of February with the "HEART" shape and explore the number "3". The children will be introduced to the heart shape, a symbol of love. We will thank God for our family members for all the things they do. We also will make a special gift for our grandparents. The children will listen to the storybook, "My Heart Is Like a Zoo". It's a cute book that introduces the zoo animals that are made of heart shapes.

One of my favorite storybooks, "Sweet Hearts" will be read. A little Panda decides to hide heart shapes all around the house to say "I love you" to each family member. We will hunt for a variety of heart shape colors to place on matching big heart shapes.

**Monday, Feb. 3**  
**Tuesday, Feb. 4**

**STORY:** "My Heart Is Like a Zoo"  
by Michael Hall

**PROJECT:** "Heart Shape Kitty"  
Glue on a variety of heart shapes to make a heart shape kitty

Put together a teddy bear mailbag add sticker hearts

**LEARNING TIME:** "Candy Jar"  
Peel back "3" candy treats stickers to place inside a candy jar

**MOTOR:** "Heart Puzzle Hunt"  
Search classroom for matching heart shape puzzles

### NOTE

Grandparent's Day is scheduled next Monday, Feb. 10 and Tuesday, Feb. 11. Grandparents or a special friend are welcome to attend Grandparent's day. Please arrive at 10:15 and head to my classroom. The children will sing a song, pass out their special gift and then head downstairs to the basement to share a special snack together.

Also, next week Valentine party. If your child would like to pass out Valentine cards, please do not label individual names on cards. You can label Valentine friend. There are 10 students in class. We will place Valentines inside a mailbag that we will make in class.

### PEEK AT LAST WEEK

The number "2" was introduced as we learned God made each of us special and gave us two hands, feet, eyes and ears. We made hand-prints, decorated mittens and traced the children's feet to place inside their number book.

During our kindness lesson our golden heart continues to shine as we put together snowman coasters to donate to Meals on Wheels.
