February

SONG

This Is A Heart
sung to "Frere Jacques"

This is a heart, this is a heart.
How can you tell? How can you tell?
It has two humps on top
And pointy at the bottom.
It's a heart, it's a heart.

PEEK AT THIS WEEK

Love is in the air! The children will explore big and little HEART shapes and learn the heart shape is a symbol of love. We will paint heart shapes and hunt for big and little hearts. Also, we will tie ends and stuff Valentine pillows for kindness.

Next week is Valentine's party. If you are sending in Valentine cards, please do not label individual names on cards. You can label Valentine's "Friend." There are ten students in class.

Monday, Feb. 5
Tuesday, Feb. 6

STORY: "How Many Hearts?" by Chuck Murphy

PROJECT: "Heart Colors" Stamp big and little heart shapes

LEARNING TIME: "Candy Store" Count candy colors to place inside heart containers

MOTOR: "Heart Hunt" Find big and little hearts to throw through a heart shape

Wednesday, Feb. 7
Thursday, Feb. 8

SPIRIT DAY!

STORY: "Heartprints" by P.K. Hallinan (Kindness Lesson)

PROJECT: "Valentine Fleece Pillow" Children will take turns to tie ends of a fleece pillow

LEARNING TIME: "I Love You To Pieces" Glue on pieces of torn paper to fill in a heart shape

MOTOR: "Heart Toss" Toss three heart shapes inside heart basket

NOTE:

Below are a few ideas to help little ones begin to understand the feeling and the actions that go along with the word love.

1. Make a photo album of family and friends to remind your child that there are lots of people who care for him/her.
2. Help your child learn we should love each other no matter what. Whether we are happy or sad. We should be patient and forgiving even when someone makes a mistake or hurts us.
3. Helping your little one begin to show love to different people in different ways. Take turns sharing, hugging or enjoy playing a game nicely together.
