SONG

TWINKLE, TWINKLE LITTLE STAR

Twinkle Twinkle, Little Star
How I wonder what you are
Up above the world so high
Like a diamond in the sky
Twinkle Twinkle Little Star
How I wonder what you are!

WHAT WE'RE LEARNING

God made all the stars twinkle at night. This we will focus on the gift of stars and explore twinkling stars in our classroom. The children will learn God gave us the stars and moon that shine bright at night. "Twinkle, Twinkle Little Star" nursery rhyme will be introduced along with learning the concept of big and little.

NOTE

We will often practice singing twinkle little star throughout the year. Your child is learning hand movements to twinkle little star rhyme. When heard often, rhymes become easy to repeat which in turn supports language and speech development.

PEEK AT LAST WEEK

We had a few tears. No worries! Most tears last until your child can no longer see mommy or daddy. We will continue to do our best to make each child feel happy and comfortable. Last week the children dot painted and made red handprints along with blowing bubbles with Jiggly Puff, my puppet!
