October parents was a tad frightful as we dealt with the virus and close contacts. However, everyone appreciates how cautious and careful everyone is being. We are blessed to have families who care about everyone! The children loved dressing up and trick or treating down the hallways! The teacher's missed having parents in the classroom!

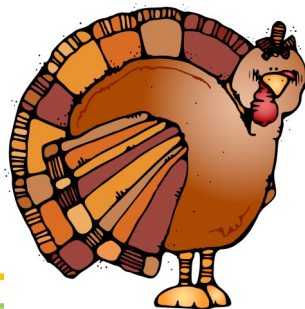

# Kindness

This month we will be reading the story "One Big Heart: A Celebration of Being More Alike Than Different" by Linsey Davis.

The story looks at how we are all different from the color of our skin, hair, eyes and our personalities and interests— but we have things in common too like laughter and having fun. The one thing God gave all of us, a big heart to love.

Our project is a Thanksgiving prayer and beaded prayer card. We will be giving these to the members of St. Peter's Church.
